SUPPLEMENTARY INFORMATION

Inspiring Progress

A. Aruni Marcelline

Ms. Aruni Marcelline
President
Board of Directors

In keeping with our theme, **Boldly Beyond Boundaries: Every Voice, Every Choice**, we are committed to fostering an inclusive and equitable society where sexual and reproductive health is recognised as a fundamental right for all, without discrimination.

Through our work in Comprehensive Sexuality Education (CSE), advocacy, outreach, and LGBTIQ+ rights, we strive to drive meaningful change. We invite individuals to join us in amplifying their voices and championing these essential rights. Together, we can create a future where everyone, regardless of their background, is empowered to make informed choices and live with dignity.

Shaping Our Impact

Ruchitha Perera

Dr. Ruchitha Perera
Executive Director

At The Family Planning Association of Sri Lanka, we envision a future where every individual ; woman, girl, man, boy and person of the LGBTIQ+ community has the right to make informed choices about their bodies, health, and lives. For over 72 years, we have been at the forefront of championing Sexual and Reproductive Health, Rights and Justice (SRHRJ), breaking barriers to ensure access to contraception, education, and safe healthcare.

No one should face silence, stigma, or unsafe conditions when making crucial health decisions. Through policy advocacy, community engagement, and compassionate care, we work to create a world where these choices are protected and respected.

Together, we are challenging boundaries, amplifying voices, and shaping a future where every choice matters. Because when individuals have the power to decide, we build a healthier, more just society for all.

Join us, your voice matters.
